

After you learn to hit, it's time to learn to play the course. Where do I go? Where do I stand? What should I say?

These are questions we get asked all the time. Most new players know a little bit about the swing, but not much about golf etiquette.

In this series, we will continue to work on the basics of the full swing and short game, and we will also teach you to play responsibly. The first three classes will be on the driving range and short game area. The last class will be on the golf course with your instructor.

Highlights Of This Series:

Day #1 Full Swing Review

Day #4 Course Management

We offer classes both weekdays and weekends and start the first week of every month. Please contact the golf shop for starting times. The classes are 1 hour each and will continue for 4 weeks.
